

## FEATURES

- 3-in-1 formula helps combat the natural decline of collagen produced in the body by:
  - **Supporting and strengthening** the skin's structure with highly bioavailable collagen peptides\*
  - **Stimulating** the body's natural collagen production\*
  - **Protecting** against collagen breakdown caused by the normal aging process\*
- Daily use formula helps reduce fine lines, wrinkles and dryness by hydrating and plumping the skin\*
- Delivers results in as little as 15 days<sup>^</sup>, improving skin elasticity and smoothness\*
- Help improve the appearance of cellulite with long-term use\*
- Provides 5 grams of collagen protein per serving, along with a prebiotic fiber, in a neutral flavored powder that can be added to any beverage, making it an easy way to care for your skin from the inside out every day\*
- No artificial colors, flavors, sweeteners, preservatives, dairy, gluten\*\* or GMO ingredients

## KEY INGREDIENT BENEFITS

- Collagen peptides from wild-caught marine and grass-fed bovine sources, in highly bioavailable types I and III, support the skin's structure by stimulating collagen synthesis, helping to reduce the appearance of crow's feet, fine lines, and wrinkles\*
- Ceramides help hydrate skin, minimizing unwanted signs of aging, and improving skin elasticity, while also helping reduce the enzyme responsible for skin structure breakdown\*
