

plexus

BALANCE

helps neutralize some of the negative effects of sugars and carbohydrates*

KEY BENEFITS

- Helps minimize unwanted blood sugar spikes by slowing the speed at which carbs and sugars are digested, so you get a more steady release of energy into the bloodstream*
- Helps maintain healthy blood sugar levels already within a normal range to avoid that dreaded post-meal crash*
- Supports weight management by helping reduce calorie intake and reduce the glycemic index of carbs and sugars*

FEATURES

- White kidney bean extract and mulberry leaf extract help neutralize digestive enzymes that turn carbs and sugars into glucose (blood sugar), also resulting in a much slower release of glucose to avoid rapid blood sugar spikes*
- Cinnamon bark extract contains polyphenols that may help balance the endocrine system's hormonal response to food, thereby helping maintain healthy blood glucose levels*
- Gluten free, non-GMO, vegetarian, and no artificial colors

Supplement Facts

Serving Size 2 Capsules

Servings Per Container 30

	Amount Per Serving	% DV
Proprietary Blend	1,150 mg	†
