REVITALIZING DAILY CLEANSER

A gentle daily cleanser formulated to support a balanced and healthy skin microbiome and leave skin clean, smooth, and refreshed

KEY BENEFITS

- Gently removes dirt, oil, and makeup that could lead to clogged pores
- Promotes cellular turnover to reveal fresh-looking, more radiant skin
- Helps restore and repair the skin's moisture barrier

FEATURES

- Cranberry fruit extract, a fruit extract rich in natural protease enzymes that gently exfoliate to remove impurities
- Hydrolyzed jojoba esters, an emollient agent that helps enhance skin moisturization and also functions as prebiotics for the skin microbiome
- Mild cleansing agents from coconut oil that make it gentle enough for everyday use
- Siberian ginseng root that provides antioxidants and helps visibly destress skin
- Lactic acid, an alpha hydroxy acid (AHA) that helps exfoliate dead cells on the surface of the skin, leading to more radiant-looking, smooth, and glowing skin and a reduction in the appearance of fine lines and wrinkles
- Saccharide isomerate, a carbohydrate complex that helps attract water, boosting skin hydration and helping improve skin moisture retention
- Joyōme Consciously Clean standards. Formulated without GMOs, BHA, BHT, ethanolamines, hydroquinone, parabens, phthalates, propylene glycol, sulfates, synthetic fragrances, or others on Plexus's Absolutely Not List of over 1,300 ingredients

HOW TO USE

Skin should be consistently cleansed in the morning (to remove impurities, dead skin cells, and excess oils the skin may secrete overnight) and at night (to ensure the surface contaminants are removed). Apply 1 pump to face with water. Massage into a lather, avoiding direct contact with the eyes. Rinse thoroughly with lukewarm water. For best results, use twice daily.
