VITALBIOME®

Keep your GI health in balance.

NPN 80080594

FEATURES

- *Lactobacillus*, is a 'friendly' microbe, that lives in our digestive system.
- 7 billion active cells at time of expiration
- 8 highly studied probiotic strains
- Gluten free, vegetarian, non-GMO
- No artificial colours

KEY INGREDIENT BENEFITS

- Helps reduce bowel discomfort
- Helps support intestinal health
- Helps reduce abdominal pain associated with Irritable Bowel Syndrome
- Helps relieve occasional constipation

HOW TO USE

Adults (18+) take 1 capsule per day. If you are on antibiotic(s) or antifungal(s), take at least 2-3 hours before or after.

BETTER TOGETHER

• TriPlex

- **Bio Cleanse™:** A product that is specially formulated to contain magnesium that helps you manage those days when you feel unbalanced and uncomfortable.
- **ProBio CA:** A multi-action product that combines probiotics, enzymes, and botanicals to help support gastrointestinal health.
- **Slim:** The famous, great-tasting pink drink mix formulated with ingredients that help support healthy glucose metabolism and can help maintain healthy blood pressure levels.

- **HydroPlex:** A convenient and refreshing mix that delivers the electrolytes your body needs for optimal balance.
- **Protein+:** A convenient powder mix that is packed with protein, vitamins, minerals, and full of flavour to support your active lifestyle and health goals.
