VITALBIOME®

Balance your gut's microbiome to support a happy mind along with healthy digestion.*

FEATURES

- Probiotic blend stabilizes stress hormones to help improve mood by reducing feeling of nervousness, stress, and tension*
- Helps bring your microbiome into balance, supporting your immune and digestive systems*
- Supports digestion to help minimize bloating and occasional GI discomfort*
- Offers a delayed release capsule to maximize delivery of delicate probiotics past the stomach and reach the gut in a fully active or live form.
- Provides clinically studied levels of key probiotics that remain active in the product consistently, up to the product expiration date
- Gluten free, vegetarian, and non-GMO

KEY INGREDIENT BENEFITS

- Psychobiotic strains, *Lactobacillus helveticus* (Rosell-52) and *Bifidobacterium longum* (Rosell-175), have been clinically demonstrated to support improved health and mood, while reducing feelings of stress, nervousness, and tension.*
- 7 billion CFU of probiotics per capsule from 8 beneficial strains help support the gut microflora to maintain a healthy gastrointestinal system.*

HOW TO USE

- Adults take 1 capsule daily.
- Ideally take in the morning and use with the complete TriPlex product system.

BETTER TOGETHER

- **TriPlex**
 - **Bio Cleanse®:** Helps cleanse the gastrointestinal tract and promote regularity*
 - **ProBio 5®:** Promotes healthy bacteria counts and pH levels in the gut to help keep the microbiome in balance*
 - **Slim Microbiome Activating:** Promotes the growth of beneficial gut microbes that contribute to overall health and a balanced gut microbiome*
- **Hydrate:** Includes a proprietary blend of electrolytes, antioxidants, minerals that hydrates better than water alone
- **Lean:** Offers a meal replacement loaded with protein, vitamins, and minerals to fuel you through the day, along with prebiotic fiber (polydextrose) and digestive enzymes to support digestive health and promote the gut microbiome
