Therefore, Brand Ambassadors are limited to one refund request per product, except where a product is received in a damaged or defective condition. Any advancements in the Plexus Compensation Plan, bonuses or awards achieved as a result of these purchases will be reversed and the amount(s) deducted from the Brand Ambassador's refund.

Ways to Earn Income from the Plexus® Compensation Plan

1. Retail Rewards Commissions

By becoming a Qualified Plexus Brand Ambassador, you can earn generously through the Retail Rewards program. Building a team is not required. As a Brand Ambassador, you will have your own Plexus replicated website and be able to purchase products at a 25% discount from Retail. You will be able to offer your Retail Customers two options:

- 1) Purchase online through your replicated website using an accepted form of payment.
- 2) Purchase directly from inventory you may have on hand.

All product purchases made online by you or your Retail Customers that are associated with your Brand Ambassador Number create Personal Volume (PV). **Purchases from VIP Customers will not count toward your PV.** As your monthly PV builds, the percentage of your retail sales commissions increases. Commissions are paid on any PV **over** your first 100 PV that month.

How Retail Reward Commissions are Calculated:

Total PV for Pay Period	Percentage Earned
101 to 499	15% (on remaining PV after the first 100 PV)
500 and up	25% (on remaining PV after the first 100 PV)

Here is an example to see how this would work:

Your monthly purchases generate 600 PV. At the end of the month, having over 500 PV puts you at the 25% earnings level. This applies to any PV after the first 100 PV.

Here's the breakdown:

$$600 \text{ PV} - 100 \text{ PV} = 500 \text{ PV you would earn on.}$$
$$500 \text{ PV} \times 25\% = 125.00 \text{ USD would be your Retail Rewards commission.}^{\text{a}}$$

You could also earn retail profit on sales you make directly from inventory you may have on hand.

You purchase 200.00 USD of products. By reselling the products at the suggested retail price of 245.00 USD, you would make an additional profit of 45.00 USD. ^a

Combining the two amounts you would earn:

Retail Rewards Commission	125.00 USD
Profit on Retail Sales	45.00 USD
Total earnings for the month	165.00 USD

^aPlexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were 594 AUD. Please see the Plexus Annual Income Disclosure Statement.

2. One-Time Achievement Bonus

Plexus® will award you a one-time Achievement Bonus the first time you achieve and are paid at one of the following ranks:

Silver Brand Ambassador	\$100 USD
Senior Silver Brand Ambassador	\$150 USD
Gold Brand Ambassador	\$250 USD
Senior Gold Brand Ambassador	\$350 USD
Ruby Brand Ambassador	\$500 USD
Senior Ruby Brand Ambassador	\$750 USD

Rank levels are determined at the end of the month, regardless of levels reached during the month.

Note: The One-Time Achievement Bonuses are paid with the monthly commission cycle in which the Brand Ambassador actually reaches designated levels.

3. Business Building Bonuses (BBB)

Business Building Bonuses are earned by the Enrolling Sponsor on the initial order placed by their personally sponsored VIP Customer of 50 PV or more. The BBB is paid out at 20% of the total PV purchased on the initial order of 50 PV or more. Here is an example of how the BBB is paid out:

$$PV \times 0.2 = BBB$$

Ex: For an initial order with 108PV, the Enrollment Sponsor will earn a BBB of \$21.60 USD. $108 \times 0.2 = 21.60$ USD

Note: In order to Qualify for Weekly Commissions:

- 1) Your Plexus® Annual Membership (PAM) must be paid and current.
- 2) You are classified as a Brand Ambassador at the end of the weekly commission cycle (11:59 PM ET on Saturday)
- 3) You have at least 100 PV in the current month by the end of the weekly commission cycle (11:59 PM ET on Saturday), OR
- 4) You were qualified in the prior month, OR
- 5) You are a new Brand Ambassador in your first month.

Plexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were 594 AUD. Please see the Plexus Annual Income Disclosure Statement.

Note: In order to Qualify for Weekly Commissions:

- 1) Your Annual Web Hosting Fee (AWH) must be paid and current.
- 2) You have at least 100 PV in the current month by the end of the weekly commission cycle (11:59 PM ET on Saturday), OR
- 3) You were qualified in the prior month, OR
- 4) You are a new Brand Ambassador in your first month.

4. Plexus® Points

You can earn Plexus Points from each VIP Customer in your downline that has at least 25 PV in that month. You also earn Plexus Points on each Brand Ambassador in your downline that has at least 50 PV. The number of Points you earn from each depends on their PV for the month, their position in your downline, and how many levels you are qualified to earn on based on your Paid Rank. Your Paid Rank will determine your total Plexus Point earning potential, which allows you to earn all the available Plexus Points for that particular Rank up to, but not including, the minimum point requirement of the following rank.

Ex: This means that if your Paid Rank is Gold, you are eligible to earn Plexus Points up to, but not including, the minimum 250-point requirement of Sr. Gold (which is the next rank).

At the end of each month, the Plexus Points you have earned are added up and multiplied by the value of the Plexus Point for that month (see below). By sponsoring new VIP Customers or Brand Ambassadors, and by assisting existing Brand Ambassadors in your organisation to sponsor new VIP Customers or Brand Ambassadors, you will increase the number of Plexus Points you are qualified to earn.

Qualifying for Levels: The higher your Paid Rank each month, the more levels you are entitled to earn Plexus Points on. Here is a summary:

<u>Paid Rank</u>	<u>Levels Paid On</u>
Brand Ambassador	Pay Level 1
Senior Brand Ambassador	Pay Levels 1 – 3
Silver Brand Ambassador	Pay Levels 1 – 5
Senior Silver Brand Ambassador	Pay Levels 1 – 5
Gold Brand Ambassador	Pay Levels 1 – 5
Senior Gold Brand Ambassador	Pay Levels 1 – 6
Ruby Brand Ambassador	Pay Levels 1 – 6
Senior Ruby Brand Ambassador	Pay Levels 1 – 7
Emerald Brand Ambassador	Pay Levels 1 – 7
Sapphire Brand Ambassador	Pay Levels 1 – 7
Diamond Brand Ambassador	Pay Levels 1 – 7

Plexus Point Allocations: For each VIP Customer or Brand Ambassador with at least 100 PV in your organisation in that month, the number of Plexus Points you can earn are:

Pay Level 1	6 Plexus Points
Pay Level 2-3	5 Plexus Points
Pay Level 4	4 Plexus Points
Pay Level 5	3 Plexus Points
Pay Level 6	2 Plexus Points
Pay Level 7	1 Plexus Point

Plexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were 594 AUD. Please see the Plexus Annual Income Disclosure Statement.

For each VIP Customer or Brand Ambassador with 50-99 PV in your organisation in that month, the number of Plexus® Points that you can earn are:

Pay Level 1	4 Plexus Points
Pay Level 2-4	2 Plexus Points
Pay Level 5-7	1 Plexus Point

For each VIP Customer with 25-49 PV in your organisation in that month, the number of Plexus Points that you can earn are:

Pay Level 1	2 Plexus Points
Pay Level 2-6	1 Plexus Point

Value of a Plexus Point

The value of a Plexus Point is determined by dividing the total number of Plexus Points earned by all Brand Ambassadors in a single month into the total amount of money in the Brand Ambassador Pool for that month. The value of a Plexus Point will vary slightly each month based on the total number of Plexus Points earned and the amount of money in the Brand Ambassador Pool.

If each qualified Brand Ambassador sells a minimum of 100 PV per month, it is estimated that the value of each point will never be below \$1.80 USD. **As Personal Volumes increase over 100 PV through personal orders and retail sales, Plexus Points will also increase in value.**

Example of Earned Points

Below is an example of how your organisation could look:

Level	# of Brand Ambassadors	Points Per Brand Ambassador	Total Points Awarded
1	2	6	12
2	4	5	20
3	10	5	50
4	22	4	88
5	30	3	90
6	50	2	100
7	90	1	90
Totals	208		450

If the Plexus Points that month were valued at \$1.80 USD, you would earn \$810 USD (450 x \$1.80 USD) from your Plexus Points if you were qualified to earn on all 7 Pay Levels.

5. Emerald Pool Bonus

Out of 50% of the company's commissionable volume, 3% is set aside for the Emerald Pool and is divided equally among qualified Emerald, Sapphire and Diamond Brand Ambassadors.

6. Sapphire Pool Bonus

Out of 50% of the company's commissionable volume, 1% is set aside for the Sapphire Pool and is divided equally among qualified Sapphire and Diamond Brand Ambassadors. If a Brand Ambassador qualifies for the Sapphire Pool, they would automatically qualify for the Emerald Pool as well.

7. Diamond Pool Bonus

Out of 50% of the company's commissionable volume, 1% is set aside for the Diamond Pool and is divided equally among qualified Diamond Brand Ambassadors. If a Brand Ambassador qualifies for the Diamond Pool, they would automatically qualify for the Emerald and Sapphire Pools as well.

Plexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were 594 AUD. Please see the Plexus Annual Income Disclosure Statement.

8. Earn a Diamond Re-Entry Position

When you achieve the rank of Diamond Brand Ambassador, you earn the opportunity to re-enter the program with an additional (second) position that will be placed directly under your original position (Level 1). Your re-entry position operates precisely as your original position, and is subject to all of the same guidelines, qualifications and policies.

The re-entry position is extremely exciting because it allows you double-leverage on the earning power of the network you build below it. You get paid once for the volume under your new position, and you get paid again on the same volume by virtue of your original position.

Note: You must have 6,000 total Plexus® Points in your organisation in order to qualify for a Diamond Re-Entry Position.

Bonus payments will be included in the Brand Ambassador's year-end earnings total.

¹If a Brand Ambassador's pay rank falls below Emerald for two consecutive months, they will not receive the car or lifestyle bonus beginning with month two. For example, if a Brand Ambassador has a Qualified Diamond Lexus and their pay rank drops from Diamond to Sapphire for two consecutive months, they will receive the 1,000 USD car bonus (Sapphire level) beginning with month two. If a Brand Ambassador's pay rank drops from Diamond/Sapphire to Emerald for two consecutive months, they will receive the 850 car bonus (Emerald level) beginning with month two. A Brand Ambassador will not receive the car or lifestyle bonus until they re-qualify as an Emerald, Sapphire or Diamond.

Personal Volume (PV)	The value assigned to each commissionable product that you or your Retail Customers purchase.
Plexus® Points	You can earn Plexus Points from each VIP Customer in your downline that has at least 25 PV. You also earn Plexus Points on each Brand Ambassador in your downline that has at least 50 PV. The number of Points you earn from each depends on their PV for the month, their position in your downline, and how many levels you are qualified to earn based on your Paid Rank.
Primary Leg	The leg in your organisation with the most points in a monthly commission cycle.
Qualified Brand Ambassador	A Brand Ambassador that is monthly commissions qualified.
