Ways to Earn Income from the Plexus Compensation Plan

1. Retail Rewards Commissions

By becoming a Qualified Plexus Brand Ambassador, you can earn generously through the Retail Rewards program. Building a team is not required. As a Brand Ambassador, you will have your own Plexus replicated website and be able to purchase retail products at discount. You will be able to offer your retail customers two options:

- 1) Purchase online through your replicated website using an accepted form of payment, or
- 2) Purchase directly from inventory you may have on hand.

All product purchases made online by you or your Retail Customers that are associated with your Brand Ambassador Number create Personal Volume (PV). **Purchases from VIP Customers will not count towards your PV.** As your monthly PV builds, the percentage of your retail sales commissions increases. Commissions are paid on any PV over your first 100 PV that month.

How Retail Reward Commissions are Calculated:

Total PV for Pay Period

Percentage Earned

101 to 499

15% *(on remaining PV after the first 100 PV)*

500 and up

25% *(on remaining PV after the first 100 PV)*

Here is an example to see how this would work:

If you retail customers generate purchases for 555 PV. At the end of the month, having over 500 PV puts you at the 25% earnings level. This applies to any PV after the first 100 PV.

Here's the breakdown:

$555 \text{ PV} - 100 \text{ PV} = 455 \text{ PV}$ you would earn on.

$455 \text{ PV} \times 25\% = 113.75 \text{ USD}$ would be your Retail Rewards commission.^a

You could also earn retail profit on sales you make directly from inventory you may have on hand.

When you buy 5 Control Maintenance System Combos and resell them for the suggested retail price of \$4,292 MXN each, you will make a profit of \$986 MXN per combo.^a

^aPlexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were \$597 USD. Please see the Plexus Annual Income Disclosure Statement.

2. One-Time Achievement Bonus

Plexus will award you a one-time Achievement Bonus the first time you achieve and are paid at one of the following ranks:

Silver Brand Ambassador	\$100.00 USD
Senior Silver Brand Ambassador Gold	\$50.00 USD
Brand Ambassador	\$250.00 USD
Senior Gold Brand Ambassador	\$350.00 USD
Ruby Brand Ambassador	\$500.00 USD
Senior Ruby Brand Ambassador	\$750.00 USD

Rank levels are determined at the end of the month, regardless of levels reached during the month.

Note: The One-Time Achievement Bonuses are paid with the monthly commission cycle in which the Brand Ambassador actually reaches designated levels and in accordance with the rules for the commission payment herein.

3. Business Building Bonus (BBB)

Business Building Bonus are earned by the Enrolling Sponsor on the initial order placed by their personally sponsored VIP Customer of 50 PV or more. The BBB is paid out at 20% of the total PV purchased on the initial order of 50 PV or more.

Here are examples of how the BBB is paid out:

$$PV \times 0.2 = BBB$$

Ex: For an initial order with 108 PV, the Enrollment Sponsor will earn a BBB of \$21.60 USD.
 $108 \times 0.2 = 21.60 \text{ USD}$

Note: In order to Qualify for Weekly Commissions:

- 1) Your Plexus Annual Membership (PAM) must be paid and current.
- 2) You are classified as a Brand Ambassador at the end of the weekly commission cycle (11:59 PM ET on Saturday)
- 3) You have at least 100 PV in the current month by the end of the weekly commission cycle (11:59 PM ET on Saturday), or 4) You were qualified in the prior month, OR 5) You are a new Brand Ambassador in your first month.

4. Plexus Points

You can earn Plexus Points from each VIP Customer in your downline that has at least 25 PV. You also earn Plexus Points on each Brand Ambassador in your downline that has at least 50 PV. The number of Points you earn from each depends on their PV for the month, their position in your downline, and how many levels you are qualified to earn on based on your Paid Rank. Your Paid Rank will determine your total Plexus Point earning potential, which allows you to earn all the available Plexus Points for that particular Rank up to, but not including, the minimum point requirement of the following rank.

Ex: This means that if your Paid Rank is Gold, you are eligible to earn Plexus Points up to, but not including, the minimum 250-point requirement of Senior Gold (which is the next rank).

At the end of each month, the Plexus Points that you have earned are added up and multiplied by the value of a Plexus Point for that month (see below). By sponsoring new VIP Customers or Brand Ambassadors, and by assisting existing Brand Ambassadors in your organization to sponsor new VIP Customers or Brand Ambassadors you will increase the number of Plexus Points you are qualified to earn.

Qualifying for Levels: The higher your level of Achievement each month, the more levels you are entitled to earn Plexus Points. Here is a summary:

Paid Rank

Levels Paid On

Brand Ambassador	Pay Level 1
Senior Brand Ambassador	Pay Levels 1 – 3
Silver Brand Ambassador	Pay Levels 1 – 5
Senior Silver Brand Ambassador	Pay Levels 1 – 5
Gold Brand Ambassador	Pay Levels 1 – 5
Senior Gold Brand Ambassador	Pay Levels 1 – 6
Ruby Brand Ambassador	Pay Levels 1 – 6
Senior Ruby Brand Ambassador	Pay Levels 1 – 7
Emerald Brand Ambassador	Pay Levels 1 – 7
Sapphire Brand Ambassador	Pay Levels 1 – 7
Diamond Brand Ambassador	Pay Levels 1 – 7

Plexus Point Allocations: For each VIP Customer or Brand Ambassador with at least 100 PV in your organization in that month, the number of Plexus Points you can earn are:

Pay Level 1	6 Plexus Points
Pay Level 2-3	5 Plexus Points
Pay Level 4	4 Plexus Points
Pay Level 5	3 Plexus Points
Pay Level 6	2 Plexus Points
Pay Level 7	1 Plexus Point

For each VIP Customer or Brand Ambassador with 50-99 PV in your organization in that month the number of Plexus Points that you can earn are:

Pay Level 1	4 Plexus Points
Pay Level 2-4	2 Plexus Points
Pay Level 5-7	1 Plexus Point

For each VIP Customer with 25-49 PV in your organization in that month the number of Plexus Points that you can earn are:

Pay Level 1	2 Plexus Points
Pay Level 2-6	1 Plexus Point

Value of a Plexus Point

The value of a Plexus Point is determined by dividing the total number of Plexus Points earned by all Brand Ambassadors in a single month into the total amount of money in the Brand Ambassador Pool for that month. The value of a Plexus Point will vary slightly each month based on the total number of Plexus Points earned and the amount of money in the Brand Ambassador Pool.

If each qualified Brand Ambassador sells a minimum of 100 PV per month, it is estimated that the value of each point will never be below \$1.80 USD. **As Personal Volumes increase over 100 PV through personal orders and retail sales, Plexus Points will also increase in value.**

Example of Earned Points

Below is an example of how your organization could look:

Level	# of Brand AMB & VIP Customers	Points Per Brand Ambassador	Total Points Awarded
1	2	6	12
2	4	5	20
3	10	5	50
4	22	4	88
5	30	3	150
6	50	2	100
7	90	1	90
Totals:			450

If the Plexus Points that month were valued at \$1.80 USD, you would earn \$810 USD (450 x \$1.80 USD) from your Plexus Points if you were qualified to earn on all 7 Pay Levels.

5. Emerald Pool Bonus

Out of 50% of the company's commissionable volume, 3% is set aside for the Emerald Pool and is divided equally among qualified Emerald, Sapphire and Diamond Brand Ambassadors.

6. Sapphire Pool Bonus

Out of 50% of the company's commissionable volume, 1% is set aside for the Sapphire Pool and is divided equally among qualified Sapphire and Diamond Brand Ambassadors. If a Brand Ambassador qualifies for the Sapphire Pool, they would automatically qualify for the Emerald Pool as well.

ⓘPlexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were \$597 USD. Please see the Plexus Annual Income Disclosure Statement.

7. Diamond Pool Bonus

Out of 50% of the company's commissionable volume, 1% is set aside for the Diamond Pool and is divided equally among qualified Diamond Brand Ambassadors. If a Brand Ambassador qualifies for the Diamond Pool, they would automatically qualify for the Emerald and Sapphire Pools as well.

8. Earn a Diamond Re-Entry Position

When you achieve the rank of Diamond Brand Ambassador, you earn the opportunity to re-enter the program with an additional (second) position that will be placed directly under your original position (Level 1). Your re-entry position operates precisely as your original position, and is subject to all of the same guidelines, qualifications and policies.

The re-entry position is extremely exciting because it allows you double-leverage on the earning power of the network you build below it. You get paid once for the volume under your new position, and you get paid again on the same volume by virtue of your original position.

Note: You must have 6,000 total Plexus Points in your organization in order to qualify for a Diamond Re-Entry Position.

9. Plexus Lifestyle Bonus Program Exclusive Benefit for Emerald, Sapphire & Diamond

Qualified Brand Ambassadors who achieve and maintain the position of Emerald, Sapphire, and Diamond in the Plexus Worldwide Compensation Plan have an opportunity to participate in the Lifestyle Bonus Program.

■ Plexus makes no guarantees on income. Personal earnings will vary. Your success depends on your effort, commitment, skill and leadership abilities. In 2020, the average annual earnings of all Brand Ambassadors were 597 USD. Please see the Plexus Annual Income Disclosure Statement.

Important Things to Remember about the Plexus Compensation Plan

Commission Qualified	<p>In order to earn commissions and bonuses, you must remain qualified until commissions have been finalized.</p> <p>To be qualified for Weekly Commissions: Your Plexus Annual Membership (PAM) must be paid and current. You have at least 100 PV in the current month, OR You were qualified in the prior month, OR You are a new Brand Ambassador in your first month.</p> <p>To be Qualified for Monthly Commissions: Your Plexus Annual Membership (PAM) must be paid and current. You have at least 100 in Personal Volume (PV) through the monthly cycle end.</p> <p>If you fail to be qualified, bonuses and commissions will not be paid out to you and will compress to qualified upline Brand Ambassadors. You can check your Qualification Status in your Virtual Office.</p>
Commissionable Volume	Total Personal Volume across the entire Company.
Compliance Policies and Procedures	<p>Brand Ambassadors are prohibited from selling Plexus Products via the internet, except through the replicated web sites that the company provides its Brand Ambassadors. For the protection of the Brand Ambassadors and the company, this policy will be strictly enforced. There are also restrictions on how and where a Plexus Brand Ambassador may retail Plexus products.</p> <p>To view a complete copy of Plexus' Policies and Procedures, go to the Resource Library section of the Brand Ambassador Virtual Office.</p>
Compression	<p>If a Brand Ambassador in your organization fails to qualify in a given month, the following will happen:</p> <p>During the commission calculation, the non-qualified Brand Ambassador's position will temporarily disappear, and the next qualified Brand Ambassador will roll up, or "compress", and take that position. Because of this, an unqualified Brand Ambassador and their downline Brand Ambassador's initial Level will remain the same, but their <i>Pay Level</i> will change and thus the Points assigned will adjust based on their new Pay Level.</p> <p>This ensures that you don't lose income because a Brand Ambassador in your organization has failed to qualify for that month.</p> <p>Compression is designed to pay you more money by eliminating positions in your organization where there has been no activity for the month, or where the Brand Ambassador failed to qualify.</p> <p>Compression will also impact those in your downline who are sponsored by VIP Customers since VIP Customers are not commission qualified.</p>

Leg	The term used to describe each of your personally sponsored VIP Customers or Brand Ambassadors (Level 1) and their downline.
Levels	<p>Levels are determined by who the sponsors are. As the Brand Ambassador, you are Level 0. VIP Customers and Brand Ambassadors that you personally sponsor are considered your Level 1. The VIP Customers and Brand Ambassadors and your Level 1's sponsor would be your Level 2's. Consequently, this continues for many levels down.</p> <p>For example: If you are a Brand Ambassador, and you personally sponsor María López, María López would be on your first Level or Level 1. If María López then sponsored Juan Sánchez, Juan Sánchez would be María López Level 1, but Juan Sánchez would be your Level 2.</p> <p>The Plexus Compensation Plan pays you Plexus Points up to 7 Pay Levels down (including those normally below level 7 if compression(s) occurred) from your position, depending on your Rank. The Business Building Bonus pays the Brand Ambassadors 2 and 4 levels up.</p>
Monthly Commission Payouts	Under the Plexus Compensation Plan, commissions for Retail Rewards, Plexus Points, Achievement Bonuses, and Emerald, Sapphire, and Diamond Pool Bonuses will be paid out monthly, with payment made by the 15 th of the following month.
Paid Rank	If a Brand Ambassador fails to qualify for their highest level of Achievement for any reason in a given month, they will retain their title, but will be paid at the level they are now qualified for.
Pay Level	The level assigned to downline Brand Ambassadors due to compression.
Personal Volume (PV)	The value assigned to each commissionable product that you or your Retail Customers purchase.
Plexus Points	You can earn Plexus Points from each VIP Customer in your downline that has at least 25 PV. You also earn Plexus Points on each Brand Ambassador in your downline that has at least 50 PV. The number of Points you earn from each depends on their PV for the month, their position in your downline, and how many levels you are qualified to earn based on your Paid Rank.
Primary Leg	The leg in your organization with the most points in a monthly commission cycle.
Qualified Brand Ambassador	A Brand Ambassador that is monthly commissions qualified.
Subscription Order	A convenient way to get the products you love each month.
Weekly Commission Payout	Under the Plexus Compensation Plan, commissions for Business Building Bonus (BBB) will be paid weekly, on the Friday following the week of purchase.
