GUT BALANCE, LEAN BODY SYSTEM

The Gut Balance, Lean Body System combines gut health, healthy eating, and movement in an easy-to-follow, 30-day program that delivers noticeable results.

TOPTHREE BENJEFITS

- Helps balance your gut microbiome and shape a healthier, happier body*
- · Feel lighter and more energetic
- Helps you lose weight and eat healthier without feeling hungry all day[^]

FEATURES

- Slim Hunger Control: Helps you feel full longer with polydextrose, a calorie-smart prebiotic fiber that helps "feed" the beneficial bacteria in your gut to keep things in balance*
- ProBio 5®: Helps the gut maintain a healthy digestive environment by keeping intestinal yeast in balance and seeding the gut with beneficial probiotics*
- Bio Cleanse®: Speeds up the reduction of unwanted microbes and substances to support your body's natural cleansing process*
- Lean: A great tasting meal replacement shake that fuels your body and feeds your gut microbiome for a leaner, healthier body
