

plexus
RESTORE
Support your body's natural repair process and renew at the cellular level by helping the liver cleanse heavy metals and toxins.*

KEY BENEFITS

- Helps your liver cleanse fat-soluble heavy metals, which can negatively impact healthy metabolism*
- Antioxidants help protect cells as they donate electrons to neutralize free radicals, preventing them from harming cellular components.*
- Formulated with digestive support in mind, for a more comfortable cleansing experience
- Supports weight loss with ingredients that work through the gut-brain axis to decrease ghrelin levels and increase leptin levels, helping to curb stress-related cravings, keep appetite in check, and lower calorie intake*

FEATURES

- **Cellular Detox Blend:** A combination of spinach, spirulina, and aloe vera that helps support liver function and works at a cellular level to assist in the body's natural detoxification process. Also provides powerful antioxidants and polyphenols.*
- **Digestion Support Blend:** A blend of ginger root and peppermint leaf that supports a comfortable cleanse while promoting good digestive function and gut health.*
- **Appetite Control Blend:** A blend of hibiscus flower powder, yeast hydrolysate, magnolia bark, and berberine hydrochloride to target hunger hormones through the gut-brain axis, curb stress-related cravings, and provide strong antioxidant power.*

Directions: Mix 1 scoop with 12 - 16 fl. oz. (350 - 470 mL) of water and drink up to twice daily. *For maximum weight loss benefits – drink 1 serving 30 minutes before two main meals daily. Use in conjunction with a reduced-calorie weight loss diet plan. Individual results will vary.

Supplement Facts

Serving Size 1 Scoop (about 3.7 g[§])
Servings Per Container 30

	Amount Per Serving
