SUGGESTED USE	Adults take one capsule daily. For teens 13 years and older, take 1 capsule daily under the direction of a healthcare practitioner.	Place on chest. The bottom layer will gently adhere to the skin and remain stable as the upper layer slides freely under the fingertips. The lubricant between the layers greatly reduces friction, resulting in a magnification of sensory touch.	Wet face, neck, and eye area. Add a nickel-sized amount onto fingertips, gently massage into skin using a circular motion. Rinse thoroughly. Use morning and evening.	After cleansing, massage two pumps onto the face and neck using a gentle upward motion. Use morning and evening.	Apply three to four pumps onto the face and neck, massaging thoroughly until absorbed. Use as the last step in your morning skincare routine, either alone or as a primer before makeup. See Drug Facts for full use directions.	Gently massage two pumps onto the face and neck as the last step in your nighttime skincare routine.	Dispense a pea-sized amount onto ceramic applicator tip. Gently glide tip, starting at the inner corner of the eye and moving along the orbital bone toward the temple, then over the eyelid. Use ring finger to tap excess product until absorbed. Use morning and evening.	Adults mix 2 level scoops with your favorite beverage and drink daily.	Massage a small amount on desired area as needed.	Apply to the desired area by massaging the product in well. Use every two hours or as needed.
